

Mariners Trust Board meeting – September 4th – 6.30pm – Trust Bar.

Apologies – Stuart

Present - Dave, Sharon, Kristine, Sandii, Ian T, Ian K, Colin

Approval of last minutes – all approved.

Meeting with club – Dave discussed minutes, very self-explanatory. We will now ensure everyone in the office knows about any future events to save this happening again. Club have appointed a player liason officer to get more player interaction in the community. We will look for a volunteer to look after the memorial garden. KG to attend “Your Place” who can provide gardeners etc. Ticketing – we are assisting the club looking at new ticketing systems, looking at a new in house solution to allow print at home, seat selection etc.

Treasurers Report – as per attached. We owe the club one payment from last season. That will be paid ASAP, also a large bar order due in. Short term plan for banking cash from bars as we have no paying in books. Need to block postage option on PayPal.

SLO – We think the SLO role should not be held by a steward, we would like the role to be held by a trust member who has the time and knowledge to fulfil the role and not just pay it lip service.

Meeting to be held Saturday to discuss between current holder & the trust.

Family Ticket & Womens meeting – Lots of ideas coming out of the meetings, any ideas for family events need to be relayed to the family excellence group to prevent overlap.

Bars Update – Going well, no issues. Card machines are going well. Not ready to expand yet due to internet issues over in the main stand. Happy Hour logo needed. Should bar staffing for the game last night be covered?

Website – Stu has done some updates but needs more content. KG to write an article for the memories group.

Membership – Can we acknowledge when people renew membership – Dave is now managing memberships, need to research how we can ensure everyone gets an email but it would be a manual process and would be time consuming. Ian will trial this.

Events – Games night to be carried out again in half term on 24th October. We need players to attend. Quiz night/ Q&A needs rescheduling due to fixtures and will now be Tuesday 12th. Looking at another kids press conference as well.

AGM – WEDNESDAY 30TH OCTOBER. 6.30 START. Need to vote new members on and see if anyone is up for re-election.

AOB - None

Next Meeting Date – 26th October @ 10.00am
